

CITIZEN'S CHARTER

INDIAN INSTITUTE OF HANDLOOM TECHNOLOGY

GUWAHATI

INTRODUCTION

The handloom industry which is the biggest and most important industry in India is highly labour intensive and very important supplier of handloom and textiles. The rapidly expanding exports and domestic market have created a demand for professionally trained man power required by the handloom industry.

In order to cater the demands of these progressive times, the Development Commissioner for Handlooms, Ministry of Textiles spread its wings by setting of IIHTs at different corners of the country, which are functioning at Salem (Tamil Nadu) in the South, Varanasi (Uttar Pradesh) in the North, Guwahati (Assam) in the North East, Jodhpur (Rajasthan) in the West and Bargarh (Orissa) in the South West.

Indian Institutes of Handloom Technology (IIHTs) functions under a Governing Body appointed/constituted by the Development Commissioner (Handlooms), Ministry of Textiles, Udyog Bhavan, New Delhi to formulate Mission, Vision, Goals, Policies and to implement, guide and supervise the progress of academic, administrative and financial work of the Institutes.

INDIAN INSTITUTE OF HANDLOOM TECHNOLOGY, GUWAHATI (ASSAM) was established in September 1982 in order to cater to the needs of seven sisters States of N.E. Region including Sikkim. Prior to establishment of IIHT, Guwahati, the students from N.E. Region were approached to IIHT, Varanasi or IIHT, Salem.

AWARD AND RECOGNITION

Indian Institute of Handloom Technology, Guwahati is awarded with ISO 9001-2008 Certificate by the Bureau of Indian Standard and approved by AICTE.

FACILITIES

- Green Campus
- Nominal Fee Structure
- Library with a good collection books, journals and periodicals
- Stipend to all Diploma Students and Scholarship to SC/ST Students, in addition.
- Highly experienced and brilliant Regular & Part Time Faculties
- Highly disciplined environment with zero loss working hours
- Outstanding Track Record
- 100% Ragging Free Institute
- Home away from home (Hostel)
- Separate Boys' and Girls' Hostels
- Nominal Hostel Rent with Dinning facilities
- Auditorium
- Proper Electric Supply
- Excellent avenues for Lateral Entry in B. Tech Courses, such as in NIFT and other technical degree institutes.
- Campus Interview by leading handloom & textile manufacturing units, organizations and exporters

ORGANISATIONAL PHILOSOPHY

- **IHHT:** Cordial teaching, guidance and partner in progress through technological skills.
- **Motto:** - Excellence, Facilitation and promotion.

OUR AIMS AND OBJECTIVES

- To undertake experimental and research programme on all aspects of handloom sector.
- To lay down the highest standards of training for the sector and to devise a short-term and long-term training programme for technical personnel to be employed both in handloom and Power loom sectors.
- To devise channels of service in order to build up a close liaison between the Institute and handloom production units.

P.T.O.

OUR VISION

- To Quality Education in a homely atmosphere.
- To foster prosperity through technological development by means of education, innovation, collaborative research, development and emerge as a premier technical diploma institution in the field of handlooms.
- To impart futuristic technical education and instill high patterns of disciplines through highly dedicated faculties who dream at setting global Standard, making our students technologically superior and ethically strong in turn, they will improve quality of the human race.
- To provide facilities commensurate with 21st century Institute of higher learning in the field of Handloom Sector, in an environment which enhance the learning process.
- To focus on excellence philosophy of education with human touch in the Handloom & Textile Sector.
- To create ample opportunity for carrier advancement in the field of Handloom & Textile Sector & enabling environment for extra curricular achievement.
- To create competent technician to cater the needs of industries and the nation as a whole by which students can compete with the best in the business and face the challenge of today's world.
- To develop high quality technician to meet the demand of industry and society.
- To Promote and facilitate the continuous growth of the handloom industry to compete in the global market.

OUR MISSION

- Provide three years Diploma in Handloom & Textile Technology
- Provide Quality Education
- Promote Personal Development
- Developing sustainable technical manpower
- Transform the students into global citizens through development of their analytical thinking, creative instincts, physical growth and imbibing a sense of aesthetic and fairness
- Prepare the students to become employers and create wealth rather than to make them just employable
- Expand the knowledge and benefits to the society through research integrated with education. It strives to investigate most challenging, fundamental problems in technology
- To dedicate ourselves to support the Handloom Sector at large in upgrading skill, development/ diversification of handloom products, technical advice, etc.

OUR VALUES

- Recognize the technical needs in handloom & textile sectors.
- Dedicated to produce and provide technically qualified personnel in the field.

TARGET CLIENTELE

Services are being offered primarily to the young generations of N.E. Region including Sikkim in terms of career progression in order to make them self dependent and to the individual handloom weavers and societies for updating value added new techniques.

OUR MANDATE

- Serve and strengthen the second largest sector of Indian Economy in terms of producing and providing brilliant technologists with dedication, devotion and vision.
- Transfer of R&D and technological advances in the handloom sector from lab to land.
- Strive for quality education value addition.
- Cater to the need of production centres; dye house, etc. in terms of qualified technologists.

OUR RESOURCES

- Full commitment and support of the Government of India, Ministry of Textiles to make the Institute a vibrant focal point of handloom & textile technology for further and continuous development and growth of the handloom sector.
- Qualified technical personnel in the field of weaving, processing, designing (CATD & CCM), dyeing and other supporting staff.
- All need-based in operation looms, machines, accessories, allied equipment and all other teaching aids.
- Need-based design development, technical input in the form of research in looms, dyeing techniques, innovations and prototype appliances for demonstration, used in the industries.
- Class-wise excellent Weaving Sections, Processing Sections, Dyeing & Printing Section, Computer Laboratory, CATD & CCM Sections, Library & Documentation Section.
